

# Zero Waste invitation

FINAL CONFERENCE OF ZERO WASTE PROJECT

# Low cost Zero Waste municipality

UNDER PROGRAMME «MED 2007-2013»

**Friday 8th June 9.30 a.m.**

Spazio Europa Hall, EU delegation,  
via IV novembre 149, Rome - Italy

The three-year project was launched in 2009 and implemented by seven partners from the European Mediterranean area.

Led by the Greek Organisation Efixini Poli, the project partners shared data and know-how for the application of "Zero waste" strategies and methods aiming at the development of an integrated zero-waste management system for further application by the European Municipalities and/or other Local Authorities.

The objective of the conference in Rome is the presentation of the project's the results and future perspectives to the wider audience and/or Local Authorities.
